Terraces of Boise is a bit of a senior living trailblazer. It has 161 residential living apartments, 40 assisted living apartments, 24 memory care suites and 48 skilled nursing suites. It is a nonprofit continuing care retirement community nestled in the midst of 12 acres of what was once a 2000 acre ranch owned by Dallas Harris. The Terraces is the first and only retirement community in Boise to offer the benefits of Life Care. Too much information to put in this newsletter. This was a great program by Jud Severns and Sharon Hutson. If you wish to learn more visit then at 5301 E. Warm Springs Ave., Boise or call 208-917-3309.

We had one “valentine” guest, Ginny Foote, who took home a beautiful carnation bouquet. Jim Kreller, who was at the meeting last week missed out on the attendance drawing this week. However, who do you think won the card money – you guessed it – Sam Storck.

Nice to see Jan and Lavon Shelton back from an extended vacation.

Our President #1 Larry was very ill so he called #2 Larry (Kidd) to run the meeting and he brought a friend “Little Lion Larry” for assistance. #3 Larry (Spencer) was also at the meeting. #2 Larry was also the tail twister and fined everyone that had not been on a project in the past month or two. (Didn't make much money).

Dan Frison reported 11 Lions and 3 helpers moved the Chrysalis House property from 11248 W. Red Maple Drive to other locations for a total man hours of 115.
He also reported 5 members spent 21 man hours learning how and building a bunk bed for Sleep in Heavenly Peace project. Their motto is *No kid in my town sleeps on the floor.* Terry Brady and Dan Frison made a better jig for the project. Give a great big Roar for all of the members involved in these projects. That is why we have such a great club!

Food Bank volunteers, mark February 23, 12:30 to 2:30 on your calendars.

Our Charter Party is April 28th and our annual picnic is August 23rd back at Julia Davis Pavilion #1. Put these down on your calendars as well.
