Owens Davies, from the Ambrose School, brought Senior Student Dillon Thompson who gave an eloquent program about his life at the school. Ambrose School, K – 12, develops Christian leaders who possess the qualities of a deep faith, have a heartfelt moral compass, have a strong command of language and are well read. The students score 25 percentile points higher than the average college-bound student in Idaho on college entrance exams. Classical education is unique in that it seeks to faithfully restore the most proven form of education ever developed. It has produced the greatest thinkers, leaders, and scientists in the Western world from the time of the Greeks until the late 20th century, including America's founding fathers. The school, located at 6100 N. Locust Grove in Meridian has 536 students. After graduation, 92% of students go on to attend a 4 year college. Owens Davies invited everyone to visit the school. He would also like some students to participate in some of our projects.

Once again the club was filled with 38 Lions and 1 guest, Michelle Garner. Guess who won the attendance drawing Sam Storck. Shirley Brooks took home the card money. In addition to a good program, money can be received. Tail twister Patty did her great job of collecting green backs (and some quarters) with her invented questions.

President Dan Frison presented Lion Curt Kelley with a Membership Growth Pin. Curt also is requesting volunteers for program chairs for July, August, October & November. September is taken. Board meeting was held on the 10th and a report will be made next week. It was reported some Lions are delinquent with payments so if you are one of them please try to catch up in the near future.

Liz Cardinale said volunteering to serve dinner to the Veterans is April 18th starting at 4:30pm.

Darlene Storck said April 24th is volunteer at the Idaho Food Bank from 12:30 to 3:30pm.

A sign up sheet was passed around for the Boise Bench Charter Party. If you cannot make a meeting and would like to attend please contact Happy Olsen – 208-344-9931- The flier has been sent to each Bench Lion.
