R U HOT That was on the front of the t-shirt worn by Paul Coffee and his wife Jere. They are with Solar Sunscreens. He explained there is no fading with the screens, they provide privacy and are removable and washable with soap & water. No pressure washing and no cats! The screens collect heat before it gets to the home and can lower your air conditioning bill. Installed the cost is $7.50 sq. ft. with a 10% discount going to the Bench Lions Club. There is a 5 yr warranty. He can also build arch screens. For a free in-home consultation stop by 3230 N. Eagle Road in Meridian.
