ROCKS, ROCKS, ROCKS. A Rock is just not a rock anymore. Dr. Terry Panhorst from the Idaho Museum of Geology explained some of the various local rocks. Dr. Panhorst is from Mississippi and could not wait to “Go West Young Man” and did that in 2017 and is very happy with the State of Idaho. There are two kinds of rocks – intrusive and extrusive (volcanic-lava). He passed around several rocks to look at – Granite, Pegmatite, Rhyolite, Basalt, and Vesicular Basalt.- and explained where each could be found. Another great program you had to be here to enjoy because I cannot write his whole program.

Thirty three lions were in attendance along with two guests – Meridian Lion District Secretary Tom Shores and Austin Kidd. Olie Olsen was in attendance and took home the attendance money and Larry Spencer took home $38 from the card money. The tail twister got good dollars out of King Salmon donated by the Annos and auctioned off the piggy bank to Sharon Marchetti.

The members congratulated the outgoing President Larry Kidd and Dan Frison presented him with a NCAA Final Four basketball signed by the great John Wooden. Larry was like a “kidd” in a candy store! Larry will remain the treasurer for Envision and Hit the Jackpot and of course will stay on the Board of Directors.

Liz Cardinale reported the Marchettis, The Sheltons, Larry Spencer, Karen Wood and the Cardinales fed 120 veterans on Wednesday the 19th. LaDawn Kidd reported 396 cases of food was prepared for seniors on the 25th by Lions Shirley Brooks, Sharon LoSasso, Larry Spencer, Dan Frison, Ken Marchetti, Tedd Foot, Aarda Justin and the Kidds. Aarda thanked the club for all of the donations for the Diabetes Assn. Drive.

June 20 – Gooding School for the Blind Picnic was successful but only had 20 kids arrive, with 17 Lion volunteers on hand with good home cooking. Big thanks to Jan Shelton who makes things go so smooth.

June 21 – The Frisons, Aarda Justin and Lynn Burks spent 26 hrs. sorting, organizing/pricing items for the sale.

Patty Frison reported on the Garage Sale – **after all monies were collected - $2145.00.** A great fund raiser for the club and a very big **ROAR** to Dan and Patty Frison for the use of their facilities for the past month. The Frisons spent 16 hours on the 24th delivering and unloading leftover items from the sale to Restore and ARC, delivering tables and delivering sold items to Boise's Marketplace.

June 22 Darlene and Mary Jane worked with the Sprouts helping kids sign in and taste sugar and snap peas – 8 hrs.

July 9th – Hit the Jackpot Board Meeting at Envision at 6PM. The Club Board Meeting time and location will be forthcoming since several members of Hit the Jackpot are also Club Board Members. Dwaine Hibbs said we still need Golfers for the tournament!

Liz Cardinal bragged that the Gazebo flowers at the Veterans Home, that was planted by the Club, has roses and daisies blooming like crazy. She is very proud of it.
