President Rob’s quotes: Halloween

When I was 12 I went as my mother for Halloween. I put on a pair of heels, went door to door and criticized what everyone else was wearing. Robin Bach

When I was a kid my parents always sent me out as a tramp: high heeled shoes, fish net stockings….David Letterman

Spotlight

Lion Darlene Storck has been a Lion for 6 years. Her special person Lion Sam brought her into the BB Lions. Her favorite music is the 60’s thru the 80’s. She is an avid reader, loves gardening (when it is warm), crossword and jigsaw puzzles and light sewing. On her bucket list is a trip to Washington DC. She is quite the history buff. She loves the Boise area where they raised both of their daughters.

Last weekend of Sprouts was such fun for the kiddos! A corn hole toss, tip-a-cow was the fav and pumpkin stacking!
18 blankets delivered for the St Luke’s Children’s Cancer Center. I learned the teen room in the cancer center is named after Lion Joyce’s grandson. When the children are admitted to their room they get a new pillow case, blanket and book to help it be more of a home than a hospital room. After the flu season, we are going to take a tour using the new skybridge to enter the Children's hospital.

Bed Delivery
4 more kids off of the floor!

Who is the mystery Lion?
